Hello!

Attached to this message you will find the CBA Team that has been selected for the next CBA Meeting between the City of Corpus Christi scheduled for next week, Thursday (02/25/10) at 9am at City Hall (H/R Conference Room [2nd floor]). **Topic of discussion for this meeting will be GASB and discussion(s) over our proposal given to the City on 02/15/10.**

If you were not chosen for the CBA Team please do NOT get discouraged as I stated at the beginning of this process we were going to have interchangeable "team" members throughout. Those officers on the "team" will be attending the CBA meeting "in lieu of duty" while the remainder of the "committee" may attend/observe on your time.

I and the E-Board are very grateful for all of your effort(s) and input on this VERY complex issue and look forward to continued discussion(s) and input from each of you. We have a long way to go, stay patient, vigilant and involved! This is YOUR contract!
