The **Citizens Police Academy Alumni** is comprised of dedicated individuals who have completed the 9-12 week course presented by the Corpus Christi Police Department. It is our mission to improve relations between the Police Department and the civilian community in all phases of law enforcement.

Our goal is to assist the Police Officers of Corpus Christi. The CPAA hosts fundraisers to purchase equipment that is not provided for them in the city budget. We also assist with Retirement Parties, Memorials and additional programs.

The **Corpus Christi Police Officers Association** believes in the community, the criminal justice theory, community policing philosophy and is a strong supporter of economic development in our community.

The association maintains a program to perpetuate the memory of our fallen officers; we also maintain a fund to assist officers and their families in times of need.

In addition, the CCPOA promotes the position of its members by educating public officials and citizens to the needs of their professional law enforcement officers.
